

Tasking Memorandum No. 99-215

Memorandum For Cdrs, DCMDs

Subject: Employees Covered Under Department of Transportation (DOT) Rules Regarding Controlled Substances and Alcohol Use and Testing

Suspense Date: June 21, 1999

Target Audience: Directors, Human Resources Customer Service Units (CSUs)

New Information/Guidance/Tools:

- The attached June 11, 1999 CAHS memorandum requests information on the number of personnel subject to DOT rules concerning controlled substances and alcohol use and testing.
- Positions subject to DOT rules are those which require: (1) a commercial drivers license, and (2) operation of a vehicle weighing 26,001 pounds or more; or carrying 16 or more passengers, including the operator; or carrying hazardous materials requiring placard.
- Request the Districts compile this data and submit their input to the HQ DCMC POC by the suspense date.
- HQ DCMC will consolidate and forward the Districts' input to CAHS.
